## **About this policy**

This is the Positive Behaviour policy for the **Academy for Character and Excellence**

## **General principles when applying the policy**

The purpose of the policy is to promote good behaviour with a view to:

- promoting, among pupils, self-discipline and proper regard for authority,
- encouraging good behaviour and respect for others on the part of pupils and, in particular, preventing all forms of bullying among pupils,
- securing that the standard of behaviour of pupils is acceptable,
- securing that pupils complete any tasks reasonably assigned to them in connection with their education, and
- otherwise regulating the conduct of pupils.

When making any decision under this policy it is particularly important that each pupil is treated as an individual having regard to their particular needs. It is particularly important that if a child has a disability (or special educational needs) that these are appropriately taken into account. For children with disabilities it is important that reasonable adjustments are actively considered. Further, when applying this policy any protected characteristics (such as race, disability, sexual orientation) are taken into account.

Any concerns about discrimination should be addressed urgently with a senior leader. Further, when making any decisions it is important to treat pupils fairly which means making sure that they understand what they have done and having the opportunity to express their views.

Further, a child's behaviour (especially if out of character) may be related to safeguarding issues and as such staff should always be alert to safeguarding issues or other unmet needs. If this is suspected then advice should be sought from a senior leader urgently.

It is also important to be aware that corporal punishment is never permitted. Reasonable force may be used but any exercise of any force must be regarded as a last resort and then only used with great care and when suitably trained.

More than very minor disciplinary measures (such as basic reprimands/warnings) should also be recorded.

## **Aims and Objectives**

It is fundamental to a good education that everyone in the school environment behaves appropriately and treat each other with respect. The goal of school discipline is primarily to assist the development of good character and learning. While punishment is an essential part of enabling pupils to understand consequences, it is not an objective in itself.

Good behaviour should be actively encouraged and rewarded at all times.

Further, the values and ethos of the school should be taken into account when making any decision. This will also include principles of British values properly taking into account any legal requirements and fairness.

Pupils need to understand and know why good discipline is important and the consequences of poor behaviour. This may include explaining the expectations of society about what it is to be a good person and why good behaviour will help them in their personal relationships and also prepare them for the world of work. They should also understand that bad behaviour, if left uncorrected, can lead to serious problems later in life.

The approach towards school discipline should start by properly explaining to a pupil why their behaviour has fallen below expectations and where appropriate, giving them the opportunity to

put things right. This may be by making an apology or taking other steps to rectify any wrong doing.

Discipline should be proportionate and appropriate and also applied consistently across all pupils.

Where possible and appropriate pupils should be actively encouraged to participate in decision making about particular class rules so that they may be personally committed to any rules formed.

When giving any sanction it is important to treat the pupil as an individual and take into account any particular circumstances. So, if detaining a student, any wider impact on them should be considered.

Parents need to be aware of and must also always be encouraged to support good behaviour.

## 1. Aims

This policy aims to:

- Provide a **consistent approach** to behaviour management
- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how pupils are expected to behave**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **rewards and sanctions**

## 2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy online

This policy complies with our funding agreement and articles of association.

## 5. Roles and responsibilities

### 5.1 The Local Committee

The Local Committee is responsible for monitoring this behaviour policy's effectiveness and holding the headteacher to account for its implementation.

### 5.2 The Headteacher

The Headteacher, in consultation with the Trust's Head of Safeguarding and Inclusion, is responsible for reviewing and approving this behaviour policy.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

### 5.3 Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents (see appendix 3 for a behaviour log)

The senior leadership team will support staff in responding to behaviour incidents.

### 5.4 Parents

Parents are expected to:

- Support their child in adhering to this policy and the pupil code of conduct (see below)
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

## **6. Pupil code of conduct**

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school

## **7. Rewards and sanctions**

### **7.1 List of rewards and sanctions**

Positive behaviour will be rewarded with:

- Praise
- Rewards
- Letters or phone calls home to parents
- Special responsibilities/privileges

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand
- Sending the pupil out of the class
- Expecting work to be completed at home, or at break or lunchtime
- Detention at break or lunchtime.
- Referring the pupil to a senior member of staff
- Letters or phone calls home to parents
- Agreeing a behaviour contract

We may use internal exclusion in response to serious or persistent breaches of this policy. Pupils may be sent to the Headteacher during lessons if they are disruptive, and they will be expected to complete the same work as they would in class.

The internal exclusion is managed by a member of the Senior Leadership team.

### **7.2 Off-site behaviour**

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

### **7.3 Malicious allegations**

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the pupil in accordance with this policy.

Please refer to our Safeguarding Policy for more information on responding to allegations of abuse.

The headteacher will also consider the pastoral needs of staff accused of misconduct.

## 8. Behaviour management

### 8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the pupil code of conduct or their own classroom rules
- Develop a positive relationship with pupils, which may include:
  - Greeting pupils in the morning/at the start of lessons
  - Establishing clear routines
  - Communicating expectations of behaviour in ways other than verbally
  - Highlighting and promoting good behaviour
  - Concluding the day positively and starting the next day afresh
  - Having a plan for dealing with low-level disruption
  - Using positive reinforcement

### 8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

### 8.3 Confiscation

**Any prohibited items (listed in section 3) found in pupils' possession will be confiscated.** These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

### 8.4 Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

## **9. Pupil transition**

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

## **10. Training**

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process where required.

Behaviour management will also form part of continuing professional development.

A staff training log can be found in appendix 2.

## **11. Monitoring arrangements**

This behaviour policy will be reviewed by the headteacher and Local Committee every 2 years. At each review, the policy will be approved by the headteacher.

## **12. Links with other policies**

This behaviour policy is linked to the following policies:

- Exclusions policy
- Safeguarding policy

## Appendix 1: written statement of behaviour principles

### Our Christian Vision at the heart of our practise

Our approach for managing behaviour at Collaton St Mary is determined from our inclusive Christian Vision of **'Achieving and Flourishing in Our Christian Community'** which is built upon Christian values and the Christian way of life and aims to ensure that ALL of our pupils thrive in a nurturing and safe environment. For example, we want our pupils and staff to engender forgiveness, love, compassion and inspire others to be the best version of themselves.

Our Christian Vision is underpinned by five character gateways: Citizenship, Leadership, Exploration, Flourishing and Expression. Through these gateways, pupils are given opportunities to explore the character traits of Christianity. By starting with our vision, we aim to ensure that all members of our school community understand our expectations, our practise and the ways in which we will implement policy.

### **John 10:10 'I have come that you may have life in all its fullness.'**

- Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
- The behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in permanent and fixed-term exclusions
- Pupils are helped to take responsibility for their actions

- Families are involved in behaviour incidents to foster good relationships between the school and pupils' home life

The Local Committee also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

## Appendix 2 – Positive Behaviour Reward System

### Collaton St Mary Primary School

1. Behaviour management will be underpinned by the use of positive language and reference to the behaviour not the child: e.g., ' X was not a good thing to do' rather than 'You are naughty.'
2. Praise should be used generously and linked to the behaviour: 'Well done, you're sitting really well.' 'Thank you for being ready to learn so quickly. Well done X'
3. The traffic light system including silver and gold areas will be used to celebrate the exceptional behaviour demonstrated by some children. A letter for exemplary behaviour - e.g.: X times onto gold cloud - will be sent home to parents.
4. Children are grouped into school families, the groups meet once a week. All children will contribute to earn group team points. Team points are an instant reward for:
  - Good work
  - Reading at home
5. Individual team points will be recorded on charts in each class. Team points will be collated each half term and displayed on the School Council Families Team Point display in the hall. In school council meetings the winning team will be rewarded with the Gold rosette every half term (to be placed on the tree)
6. Headteacher's Awards will be presented in our weekly Celebration Act of Worship will be linked to the school values.
