

Maths Guidance Sheet

In your Maths hour, please have a sensible balance between the lesson, extra challenge, TT Rockstars and online activities (such as Hit the Button).

Set up your page with the date (top right) and Focus (top central)

25/3/2020

Focus: I can revise decimals as fractions (1)

This is a revision lesson in a topic that has previously been taught. Type in the following webpage for the lesson video, worksheets etc.

<https://whiterosemaths.com/homelearning/year-5/>

Extra challenges are on the next page.

Odd one out

Which of the images below is the odd one out?

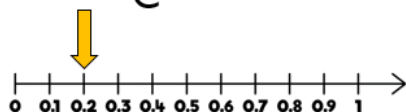

A

B

C

D

Explain why.

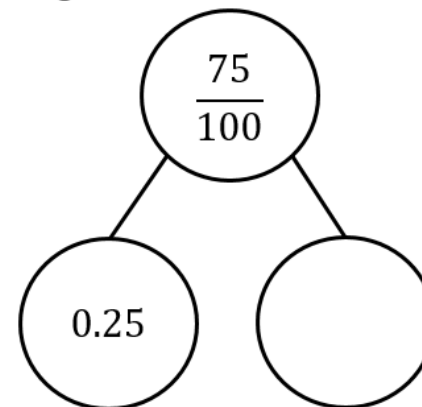

Can You Find a Perfect Number?

Read about perfect numbers and try the challenge.

<https://nrich.maths.org/2555>

How many different ways can you complete the part-whole model using fractions and decimals?

Create another part-whole model like the one above for your partner to complete.

Play **HIT THE BUTTON** on the following web page.

<https://www.topmarks.co.uk/maths-games/hit-the-button>
