

Rationale for Collective Worship

We consider collective worship to be an integral and essential part of our whole school Vision, ethos and curriculum. It is broadly Christian in nature and inclusive of all pupils. It is a time when the school community can express itself and develop spiritually both as a group and individually. Each half term we use our gateways to guide us through a set of underpinning Christian values. We use the Roots and Fruits Christian values (**green**) and our Gateway values (**purple**) to ensure our values led approach to worship is intertwined and linked to our curriculum. All worships will have a theological approach, explaining how the gospels reveal the way in which Jesus embodied these values.

Our Character Gateways rooted through biblical theology

Citizenship

Make a difference to my home, school, community and the wider world through showing **compassion, empathy** and **drive**.

Expression

Have the **confidence** to present myself in an **honest** and **insightful** way that reflects what I value.

Flourishing

Seek a **purpose** for life; **take responsibility** for my own well-being; and **support others** with theirs.

Leadership

Act with **integrity, authenticity** and **determination**; and through this **inspire others**.

Explorers

Follow my **passions** and **seek challenges** in order to **aspire** to be the **best version of myself**.
